

EVENT CREW / WAREHOUSE SUPERVISOR & DRIVER

You'll be working alongside the MD, making the magic happen for our clients. There are lots of different elements to this role, including warehouse management, driving responsibilities and on-site support at event venues across London. You'll be a key player in the team, in ensuring our furniture gets where it's meant to be with a welcoming attitude, creating unforgettable experiences for our clients.

Responsibilities

- Getting hands-on with our furniture, bars and DJ booths, prepping jobs, loading vans and driving to event locations.
- Supervising jobs, both deliveries and collections and showcasing our impeccable service to our clients.
- Supporting the management of the warehouse organisation, ensuring everything is stored neatly before and after jobs.
- Manage extra crew assisting with larger jobs, ensuring seamless operations every step of the way.
- Representing the company and upholding the stellar reputation of Juno.

Skills, Experience and Attitude

- Luton van experience
- Strong time management skills
- Strong communication skills
- Highly organised
- Client-first mindset
- Friendly, approachable and hard-working
- A team player, not afraid to get stuck in
